The passion to build around people.
The foresight to see children's parks on a barren patch, malls on highways, a green township on sprawling undulating acres.
The sensitivity to provide answers even before questions have been raised.
At Majestic Properties, we believe these are the qualities that make the difference in the world of real estate. We are willing to walk the extra mile to see you smile.

Mall alongwith High Street Shopping

As the group's lifestyle venture, is the **1st** New-Age Township on Ajmer Road. Envisaged as a sprawling, green habitat with the most advanced amenities, Melange first will be dotted with plots, villas, apartments - and the whole spectrum of parks, school, convenios and shopping malls. Blending the best of architecture and engineering, nature and technology, the township will spell the beginning of a fresh modern lifestyle in a city of royal traditions.
